About Me

I am Jordi Hafidz Azis, an individual who is full of interest and enthusiasm for coffee. Besides, I have a desire to learn about different coffee drinks and how to serve them well. I want to be a barista who is friendly, communicative, and ready to provide a satisfying coffee experience for every customer. I have high dedication at work, honest, responsive, have good communication skills, adaptable, like to learn new things. As well as having high motivation to always learn in order to develop my potential
